“ Sometimes God picks a flower that is still in full bloom. Sometimes the flower that is chosen, we feel he's picked too soon. We are at peace knowing; in God's heavenly garden, He has placed our treasure, "Noah." You have changed our hearts forever, and forever you will be in our hearts. Rest our little dove in the comfort of God's arms, you are safe now, awaiting when we will finally join you. I wish I had a chance to meet you, a chance for God to reopen that door, my heart is shattered because I didn't have a chance to see you grow. What I wouldn't give for that time with you, God in heaven, himself, only knows. I wish the pain that we feel wasn't as bad as it seems and that perhaps I could just wake up and find this all to be a bad dream. But it is real, you are gone. But somehow, in all of this heartache, pain, and sorrow; I know with God's help, there will be a better and brighter tomorrow, know in your heart that you were deeply and truly loved.
