“ Norma was wonderful to work with back at NWA. Even on the toughest days, Norma had a smile for everyone. I'm grateful to have had the opportunity to get to know such a beautiful person.

“ When I think of beauty, I think of Norma. She truly was such a beautiful person, inside and out. With her wonderful spirit, Norma made life less stressful and more joyful for many people, including me. I am honored to be part of her NWA family. Her spirit has been and always will be with me, no matter what. I deeply share the grief of the loss of Norma, there will never be another beautiful soul like her.

“ I worked with Norma at Northwest. She was a very joyful and strong woman. My favorite memories I have of Norma was when she was frying lumpia for us in the break room. The smell was so good. You could even smell it outside in the ticket counter. Another memory I have of her was halloween. I took a video of her dancing in the lobby. She will be greatly missed. I can still hear her laugh. Rest in peace Norma.
