“ I never dreamed you would leave never crossed my mind I'd be here without you not even once. I know where you are but I wasn't ready not even close. I know you tired to tell me but I just listened with my eyes as my heart just couldn't take it. Slowly as time moves foward & life steps in sometimes easy others hard in all these times I hear you now with an open heart, as these conversations come back to me at just the right time. It's just like you to know I wouldn't be ready not even close. I wish just for one more conversation with you even if just in the whooooowhooo moments. Miss you Grandma xoxo Tina 6-29-13
