

Norma Jean Varner

September 6, 1933 - September 25, 2016

Norma Jean Shaffer Varner September 6, 1933 September 25, 2016 Norma was born in Cheyenne, Wyoming on September 6th to Elchard and Irene Shaffer. She was the youngest of three daughters. When Norma was young, her family moved to Vancouver, WA where her parents worked in the shipyards. She attended Vancouver High School, where one day, a friend and classmate introduced her to her brother, Lloyd Varner, and they went on a double date. Lloyd and Norma were wed on October 7th, 1952. During their 42 years of marriage, they had three daughters: Cathy (Varner) Dearman, Cherie (Varner) Willhide, and Tina (Varner) Drew. Norma experienced the joy of seeing her grandchildren and great-grandchildren grow, and even the birth of her great-great grandchild. She also mourned the loss of her husband in 1997. We, her daughters, would like to thank all of her friends and family for their support and love during this difficult time. We would like to give special thanks to Linda Dearman-Smith and Casaundra May for their help in caring for Norma during the final years of her life, and making it possible to honor her wish of being home with family. Also, a heartfelt thank you to Alyson Storrs for caring for the whole family during the final days and hours. It was a very difficult time that we wouldn't have made it through without you.
