“ I had the great pleasure of being a neighbor to Mrs Winge for 6 years. She was truly amazing. She planted a garden every year until this summer of 2009. She grew amazing Zinnias. I will miss her and her green thumb. My condolences to her family.

“ It was our joy and delight to visit Olga at her beautiful home and garden in 2008 and visit extensively with her. She was so alert and anxious to learn of her relatives and friends in Minnesota. She will truly be missed. To her immediate family we extend our sincere condolences, but we know she is celebrating her Resurrection with Ervin and all who have gone before.

“ I often thought of Aunt Olga even though I did not see her often. I frequently wished she would at least make one hundred. Jeannie and I are grateful for the life she had.

“ We will miss Grandma, she was strong and admirable. Sunday night, in Serole, Joe shared his memories of Grandma with Zaven and I, we laughed and smiled and I would like to think Grandma would be happy that Joe has such a multitude of special memories of her and that he attributes so many of his life skills to her and Grandpa. We have two huge pots of Grandma's beautiful Zinnia's on our balcony, this year was a bumper crop (she would be proud, although I know I didn't thin enough) and the bouquets around the house remind us of her on a daily basis. My thoughts and prayers are with the family.

“ Olga Winge was such a sweet lady and I had the priviledge of maintaining her landscape for nearly the past 15 years. Her presense and her love for life will be greatly missed. My prayers go out to the entire family during this hard time. May God be with you all.
