“ Summer Time was my favorite time of year. Grandma and Grandpa time. Palm Springs Harstine Island cutting threw Puget Sound on the Dorothy Grandma was always in charge. A widow raising twins and holding a Administrator job back in the 60's. She was a very strong woman. Sense of Humor always made me laugh. I love you. Thank you for sharing your wisdom with me.

“ Pat and Bill were the reason we had our Belleek Club in the first place. Many happy memories thanks to Pat. May God hold her in the hollow of his hand.

“ Always loved to see Pat at our Belleek meetings. She always had a sparkle in her eyes and a bright smile. Plus she always knew the answers to the raffle questions. Prayers are with her family and our Belleek group will miss her.

“ My grandma was a fun, happy well-traveled lady. She lived a long life, had a lot of friends and loved her Belleek. I was lucky enough to have gotten to spend 2 weeks in Ireland with her and my parents. She was proud to show me the picture of her in the upstairs room at the Belleek Factory for being the member of the year in 1998. She also has a tree planted in her name outside of the factory. Just being at the Belleek Factory made her light up. I will miss the fact that any time I was in Vancouver I could stop by and see her. She was always up for a trip to Fred Meyers followed by dinner at Wild Tiger. We would laugh and drink a glass of wine. My grandma was also my friend. So many great memories to cherish. Rest in peace grandma

“ Mom was always an active person even after her stroke. Her passion for Belleek was with her till the end. She may not have liked how the chips fell, but she made the best of it. I remember her homes at Palm Desert, Hartstene Pointe, Mukilteo as well as in Vancouver I carry a lot of happy memories that occurred in each one. My trip to Ireland was one of the most enjoyable times I had with her. She loved to go places. Dave and I enjoyed taking her where ever we went, be it Reno, Sacramento, the beach or a casino for the day. She is now at her final destination with Bill and at peace.

“ Mom is in a better place now and in good company. She held business positions that were then usually held by men and was an inspiration to us. She had a good sense of humor and we had a lot of good laughs together. There were many good times. I will always remember the fun we had at the Pointe on Hartstene Island. Mom would bake cookies for the raccoons! She loved her Belleek and Swarovski and passed on the enjoyment to us too. She especially enjoyed visits from her grandchildren and great-grandchildren. She enjoyed shopping and eating out. The Cobblestone Caf lost a good customer when she passed. And, we lost a good mother.
