“ My memories of Pat were when I was a child and stayed with her during the summer in Colorado for a month. I had my birthday there and she bought me a new dress and a new pair of black leather shoes. And I remember looking for Gary all the time around the neighborhood because he kept running off. The last time I saw her was the Family Reunion in Oregon. Fun times and beautiful country. We are sorry we will not be able to may the services. Our prayers are with you all during this difficult time. The hard fight is over and she is in a beautiful place, in the loving arms of her father. Thank you Lord! Love you all and God be with you. “ *The Day God Called You Home* God looked around his garden, And He found an empty place. He then looked down upon this Earth, And saw your tired face. He put his arms around you, And lifted you to rest. God's garden must be beautiful, He always takes the best. He knew you were suffering. He knew you were in pain. He knew that you would never, Get well on Earth again. He saw that the road was getting rough, And the hills were hard to climb, So He closed your weary eyelids And whispered, "Peace by Thine." It broke our hearts to lose you, But you didn't go alone. For part of us went with you, The day God called you home. In memory of Patricia Lee Lloyd 'I love you Aunt Pat' My heart hurts for the entire family and I pray God's arms will hold you tight and comfort you.
