

Patricia Lea Ornduff

February 21, 1941 - March 26, 2012

PATRICIA ORNDUFF February 21, 1941 ~ March 26, 2012 Jesus took Patricia "home" early Mon. morning while surrounded by her loved ones in her Vancouver, WA home. She was born to Raymond and Vivian Hutchison in Porterville, CA but spent most of her life in Oregon and Washington. She graduated from Banks High in 1959. Patricia worked at a number of jobs in her life, but her true calling was that of mother and wife. Her unconditional love of her family and her selfless devotion to all of them coupled with her faith is what best defines Patricia. Those that knew her, saw a warm and generous soul who mothered and nurtured many beyond her own children. Patricia was an avid reader and possessed a wonderful sense of humor that we all enjoyed and she will be profoundly missed. Patricia is survived by her devoted husband, David, of 32 years; her loving children, Julie Rice, Brenda Caballero, Lori Stroh, Greg Lilly, Michael Ebner and Heather Ornduff; her adoring grandchildren, Derek Metson, Melanie Dunn, Monique Morales, Brad Stroh, Antonio Bartuchie, Siri Lilly, Joseph Stroh, David Allen, Anneliese Lilly, Imagen Huey, Joshua Caballero and Sarah Ebner; along with four great-grandchildren; her sister, Jean; and nieces and nephews. She was preceded in death by her parents; and her beloved grandma, Dessie. Memorial services will be held at Evergreen Memorial Gardens on Sat., March 31, 2012 at 3:00 p.m. In lieu of flowers, the family asks that donations be made in her honor to Kaiser Hospice.

“ I remember when mom and dad came for a visit a couple of years ago . They came and helped me with our local food bank working all day giving out food to the needy . And mom's one big request was to see omish riding in a horse and carrage. I was told there was a omish community about a half hour away. So we got up one morning and off we went, our half hour turned into 3 hours but we were on a mission at this point. Laughing all the way, getting lost we finally got there. We had such a good time shopping in the omish store, Where they spoke dutch not english. And she was just so tickled to see them riding around in there buggies. We follow a man in his buggy to the post office, then proceeded to circle the block several times. she is in heaven, Still watching over all of us. She was allways there with a word of encourgament,a hug or just a shoulder to cry on in difficult times. We Love & Miss You MOM Julie & Antonio

“ My condolences to the family. Pat was a great neighbor when I lived next door. She always complimented me in no matter what I was working on or with Katie. Pat had a wonderful sense of humor, loved life, and was always demonstrating living life to its fullest. She will be missed. What a gem.

ME

“ My Mother was one for the ages, and all of us kids, her husband, her extended family and friends were blessed to have known her for so long. It's never long enough, but I am glad that the Lord chose to take her before she suffered too much. The family welcomes anyone who wishes to come and celebrate her life.
