“ Patricia's memory will always be a part of our family, her testimony of the gospel of Jesus Christ, her compassion for others in spite of her own challenges, and of course the many parties she loved to throw. Our family is a better one because of her. Our thoughts and prayers are with the Slade family at this time. May God bless you all. -The Gassaway Family

“ Dear Dean, Katie, Jason, Christopher and Amber, I am truly sorry for your loss. I've known your family since 1994. There have been some great challenges, lots of love and some big moves. Patricia was larger than life and had an exhuberant personality. I remember her loving to plan parties. She would often share with me her menu plans. I remember her excitement when you all moved from the apartments to the house. We kept in touch with the moves to Cleveland and Vancouver. I felt her excitement as she talked about her new friends and the things she was accomplishing in her life and her love for her family. While I am sad she is gone from our lives momentarily. I am happy that she doesn't have to deal with poor health anymore, gets to see loved ones who have already gone on and preparing for us to join her. I loved Pat and I love you all. Debbie Taylor

“ Dean and Family: I remember meeting Patricia for the first time when you Dean came into the Vancouver office for the first time. I liked her right away. I always looked forward to seeing her and talking to her. She was a lovely, warm and sincere lady and we will all miss her very, very much. I am glad that my last visit with her was at the EDS picnic last year because we both had so much fun and she was feeling really good - so that is my memory of her which I will treasure always. Your friend, Barbara

“ We fondly remember how dedicated Patricia was to keeping events fun and enjoyable for everyone. The Halloween party she threw a couple of years ago was a great example of how infectuous her spunk and passion were to those fortunate enough to be around her. Our prayers are with the family.

“ I met Patricia through MSWorld. She gave me such fun and inspiration when I was down or when I was just there. I am deeply saddened with her not being here anymore to see her smile through the computer. But glad that she is not having to put up with MS anymore.
