“ The relationship Patti had with my parents was like non-other. Neighbors for 30 years, grew into tremendous friendship, helping each other in sickness and in health. The loss of Patti is huge in our family. She was like a sister helping me care for my parents.

“ I wanted to come to your memorial, but just couldn't. I haven't even seen you for a few years and still I will miss you so much. It is way too soon for you to be gone. You did everything right, worked hard, have a great daughter, and grandchildren, great friends. Love you Patty...

“ I'm so sorry for your loss, she was an awesome lady, and a joy to work with... Sometime we had a little to much fun at work, but she always made the day better. I'm really going to miss her laugh, her smile and her kind words... Thank you for sharing this day with me, with us here at Lowe's..

“ I am saddened by the news of Patty's passing. I remember working with her at Lowe's and she always made the days better and go by fast! She made everyone laugh especially if they are having a bad day. She always asked about my dog, Jack, and how he's doing. She will be missed terribly!!! I will miss you Patty! Thank you for being you!!

“ Patti was a great supporter of Karyn and NatureScaping. I will remember her warm welcome to our new home when we moved behind her home last year. Also her great smile when I ran into her at Lowe's.

“ Patty was such fun to work/play with when she came out to help in the Botanical Gardens. I enjoyed her spirit and uplifting attitude. I was lucky to know her, even for such a short time and wish it could have been longer. You have my sympathy for losing such a wonderful person. - Barb

“ I am so sorry you had to leave this early Patti. You raised an amazing daughter and we love her so much. We will miss you. I will miss you and Allen talking at the fence. I will miss all the food you would make at Christmas. Most of all, I will miss seeing you and your happy face.

“ Mom- this is hard. I can't even grasp that this happened. I know you're in a better place, but to me you're not. The best place would be here with ME! Soon i will except this and i know that one day i will see you again. I'm missing our daily phone calls to eachother. You laughing about the kids and "oh how you remember me acting the same". I hope i made you proud mom. You are the strongest woman i know and you always will be. I couldn't of asked for a better mother, friend and grandmother. Thanks for being you and thanks for everything you have done for me and my family. Love your Lil Angel. -Krystal
