“ For years I have been wanting to touch base with Pat, our paths not having crossed in far too long. I cannot begin to tell you how dismayed I was to discover that she had passed away inn 2010. I am heartbroken in the true sense of the word. I still have a picture of she and I on the bulleten board near my desk taken at a Halloween party we went to in the early 1960's. When I look at it I always have flashbacks of some great times and true adventures. I cherish those memories I send my love to the family. Love, Ginny
