“ So sad to hear of Pat's passing. I hope he found the peace he was always searching for. We had some wild times back in the 80s (if you can remember, then you weren't there.) All the times on the kitchen line at the Oak Tree, the time we were roommates out on South Pekin in Woodland, the slow pitch softball team, the pyramid of Shlitz Bull cans in our kitchen... it has been a few years since we got together, but always it was like it was yesterday whenever we saw each other (minus a large amount of mood enhancing substances.) Miss you, Pat ðŸ˜€
