“ Q: What will you never forget about Patrick?

*A: I will never forget our "private time" together. How sweet he was both in and out of the bed. He had a huge heart for everyone; it didn't matter how old or how much money they had. If he could help in some way, he felt whole. I remember his smile. He could light up a room! I'm going to miss how he listened and made sure to give everyone his attention. Not many pay that close attention to people and what they say anymore. I love you "Starfish."*
