“ You were such a wonderful father. Your son's miss you very much. This is year 3 of your passing. Nothing really has changed. We cry all of the time. We are confused and do not see a light at the end of the tunnel. Please keep us on your heart. We have you in ours. Wait on me....

“ *My thoughts and prayers to Paul's family. He was a kind and caring person who will be very missed. At work, he would pass my office daily, often taking a moment to say hi and share a few laughs. Paul's passion for life and his family made him a contagious personality in our office. We are so sorry for your loss.*
