“ Dear Mildred, Pearl's life has touched mine forever. I will always remember her sweet spirit and beauty. Thank you for allowing me to be a small part of your lives this past couple years. We enjoyed reading when I would visit each week. And her reminiscing and recall of that period of her life when sharing the events of the book (written by Alcyon Fleck) were incredible! I always enjoyed listening to Pearl share. What a beautiful woman Pearl was and a beautiful heritage she leaves to you and your family. Bless you during this time. Love, Kim Swan
