“ Ken and I enjoyed owning the trailer and truck that we purchased from Phil while living in Camas. We met Phil at Oak Meadows campground while parked next to him. He mentioned that he wanted to sell it and we made a deal. He put many nice features in the trailer and we loved traveling in it. Our condolences to Lois and the family.

“ Lois and boys, I have many great memories of Phil and you all as you were such a big part of my childhood. Lois, I'm so glad you and Phil continued to visit us in Quincy well into my adult years. I know mom and dad enjoyed it so much. Randy and I will be down with mom on Friday. Looking forward to seeing you then and sharing memories. Much love, Lynn
