“ I met Pioneer while I was tutoring Trusty. He was always so very concerned about his son. He was a good dad. And, of course, there was that smile. I am so very sorry that he is no longer with us. Apparently, God has bigger plans that involve this wonderful man.

“ I had the opportunity to work with Pioneer for the last 4 years...He was always a pleasure to be around, always willing to help. He took pride in his job. He cared about the people around him...And we cared about him. I feel the void each morning when I would walk by and say good morning or just hello through out the day..He will be missed here at Honda.
