“ I miss you and think of you often. I loved exploring the towns with you as a child, in the lents neighborhood and in Beaverton. You were always so social and ready to make new friends everywhere you'd go. Thank you for teaching me cross stitching. I loved coming to your church and seeing your smiling face so excited to see us there. I wished I'd listened better to the incredible stories you told. I miss you, I love you ❤️ I think you'd be proud of who I've become.
