“ I am so sorry to hear of this, I did not know Ralph well, I met him at the Lutheran Church, he always had something pleasant to say about everyone, and he always made me smile... RIP Ralph this is your time to shine

“ The word that best describes Ralph for me is class. At our last big high school class reunion, he went out of his way to bring Mike Joshua to the event as he knew Mike would not come on his own. I always looked forward to seeing him at our gatherings and the kind words he had for everyone.
