“ *Mr. Grindland was my childhood friend Mark's father. He was a memorable guy. Taught me to always stand when shaking hands with someone. That was a million dollars worth of free advice to a 10 year old! My condolences to the entire Grindland family.*

“ My wife and I met Ralph and Eileen when we (Ralph and I) worked for the City of Salem, Oregon. Ralph and I became fast friends and we soon included our wives in our plans for movies, dinners out and dinners in. We very much enjoyed the company of the Grindland's. Ralph was a great guy. He was a God loving, Christian man. He and Eileen raised a wonderful family and that made him as happy as can be. We will miss Ralph very much. We loved him dearly. Gene and Lori Larson

“ Our heartfelt condolences go out to you and your family. Ralph had a great sense of humor, especially when I called him "Daddy" being he was a year older than me. (that was a standard joke between us).

“ What a great considerate neighbor Ralph was. I never went to the mailbox, that if Ralph saw me he would not always turn his golfcart around, carry me back to get my mail even though he had already picked his up. Eileen our Heartfelt sympathy to you and you family knowing that Ralph is resting in God's presence and knowing that Ralph will be forever in your hearts. Wishing you God's strength and comfort.

“ *Coach, I want to thank you for all you did for us in about out of the pool. I'm not sure you realize the impact you had on our lives, not just as a coach, but also as mentor and second father. This is evident in the conversations we still have today about you thirty years ago. I still tell my boys stories about Coach Grindland. I can never express enough my appreciation for the lessons you taught me. While I'm saddened you have left us physically, it brings me great comfort knowing I will see you again one day. God Bless, Dab & Family.*

“ Dearest Eileen and Family: We have such warm thoughts and memories of you and Ralph. We will never forget the first moment we met you as you were moving into your new home on Amberleaf. We soon learned that Ralph was one heck of a guy! His smile and humor brightened the day and the street! When I thought I could never golf, he had the best tips and always left me laughing - and wondering - he was such a good teacher and friend. There was something decent and good and remarkable about a man who could be such a friend to so many people. He actually made everyone feel he was their best friend. And we were so proud to be counted as so. Take care of yourself, Eileen. We miss you down here. When you speak to Ralph next in a prayer or a whisper, tell him we think he's the best! Heaven just couldn't wait for someone like him. I'm sure the angels are having a ball with him up there now. We love you both! Joyce and Tom Halvorsen
