“ Raymond was married to my little sister Shirley for a time. There was a long period of time when I had not talked with him but he reached out to me on Facebook one day and we communicated off and on. I look forward to hearing more about his life since then at the memorial service. I know he was loved by many and his family will dearly miss him. Our hearts are saddened for the family, and our prayers are with them.

“ I met Ray when he moved across the street to live with Gary and Diane. He quickly became a cherished neighbor, he always had a quick hello and story to tell. I will miss seeing him sitting on the porch and greeting all that walked by. Rest in peace Raymond we will see you again in Heaven.
