“ In loving memory of our beautiful Becky. Our cherished sister and Aunt! Home in heaven now but will always remain in our hearts!

“ My mom was the best grand mother in the world to my children Tehya and Jeremiah. Grandma was her most proud title. Tehya used to tell me when she was younger that "she wanted to live with grandma" and when she was upset she would say "I'm running away to grandmas house". Tehya is now 11 and misses her grandmother dearly and Jeremiah was only 11 months when his grandma passed away. She loved these babies with her whole soul. And you will live on in all of our hearts and memories forever mom. We love you! Thanks you for always loving us and doing whatever you could to make our life easier.. can't wait to see you again momma! 🕊️💙 Tyler xoxoxox

“ Brek and Tyler I am so sorry to hear of your Mom's passing. You are right she was the best Mom ever. She was my walking buddy at football practice all those years ago. She is now reunited with the love of her life and is whole again. Brek I am praying for you and your Tyler. If you need anything, anything at all I am here. Sending hugs.
