“ *Beckie, You will always be a second Mom to me. I am so grateful to God for putting you in my life. You always showed my family so much love and respect, and I cannot thank you enough for that. I remember those days, sitting on your lap, begging to do your make-up, play with your hair, give you pedicures and manicures (well as best as a 7 year old can); and no matter what, you always let us. You have more patience than anyone I have ever known. You are such a wonderful woman. I know you are in Heaven with Nicholas, watching over us now -- and one day, we will all be reunited. I love you.*

“ *Doug, Doug & Mitchell and Brianne and family; I came into this family a young and impressionable women and was blessed with a sister in law in Beckie who loved to laugh and giggle and just be the best mom she could be. She showed such kindness towards others, gentleness with her children and mine that to this day brings a smile to my face. Time seperated us, but she gave more to me in 10 yrs as my sister in law and helped me be the mother I wanted to be. She is now in heaven for sure, holding her Nana's hand peaceful and whole. Her presence will be missed for sure, her suffering is over and with prayers and hope and time, I pray yours will turn from sorrow to calm. I will miss her smile, her giggle and wish you all had more time with her. Doug, you did your best with her situation, know that. I know she is watching over you all now making sure all of you are going to be ok.*
