

Rebecca Ann Torres

September 9, 1969 - May 19, 2018

Rebecca Ann Stroup Torres was born on September 09, 1969 in Riverside California to her parents Linda Gibson and John Stroup. She grew up in Vancouver Washington since age 5 and attended Crestline elementary, Wy-East middle school, Mountain View High school and Clark College. She has a younger brother named Nicholas Torres and was an aunt to his children Dominic Torres, Alijah Torres, and Alyssa Torres. Becky also had 3 siblings through her mothers Marriage, Marc Torres, Sherri Torres, and Doug Torres. Throughout her life she loved to dance, play volleyball, write poetry, play games, watch movies, engage in outside activities, spend time with family and friends and more. Becky was a loving, kind and gentle soul generous to a fault. She lived a hard life but it never hardened her soul. She once wrote Be soft. Dont let the world make you hard. Dont let the pain make you hate. Dont let the bitterness steal your sweetness. Becky is Christian and believed in God and Jesus Christ with all her heart. God has rose her up to him to end her suffering. We believe she passed away Saturday May 19th, 2018. Her Service will be held Friday, June 1st, 12:30pm at Evergreen Memorial Gardens and led by Pastor Damon McPherson from The Way Ministries. She had one daughter Tiana Annalice Stroup, and spent the last years of her life taking the most precious care of her grandson Leo Ismael Contreras and granddaughter Mya Annalice Contreras. She will live on through them and be missed dearly. We all pray to meet her beautiful soul in heaven one day.
