

## Renate Elise Jones

November 19, 1938 - March 18, 2021

Renate 'Oma' Elise Jones  
Vancouver, WA

Renate Elise Jones, 82, passed away peacefully on March 18, 2021. Renate was born and raised in Bayreuth Germany but moved to the USA in 1964 with her husband, Gerald who passed away in 2000. Renate continued living in Gold Hill Oregon where she sold Avon for many years but enjoyed her yard work and gardening most of all. She moved to Vancouver WA in 2018 to be near her family. She was very active in her independent living community where she continued her joy of gardening but also had a love of playing games, working on puzzles and sharing 'Happy Hour' and cocktails with her many friends.

Renate is survived by her daughter, Cindy Plamondon (Kevin) of Vancouver, her son, Kenneth Jones (Rhonda) of Vancouver, two sisters, Adolphinne and Brunhilde as well as her grandchildren, Hunter Hettling, Kendra Plamondon, Jordan Jones, Kelcee Cramer and Lexis Jones along with 4 great grandchildren. She loved us all!

Services will be held at Evergreen Memorial Gardens at a later date in May when the flowers are fresh, the birds are chirping and the air is warm. The date will be announced soon.

Please leave a note or your favorite memory or photo of your time together with her.

Renate, Mom, Oma will be so dearly missed but certainly never ever forgotten! ~In our hearts and in her Garden forever~

“ Happy Mothers Day Mom! I wish you were here to celebrate! Hunter, Abby and Mila will be here also! I know you saw that baby Mila is here with us now and she is so beautiful! Please look down on them from above with prayers that she isnt fussy for too long... they need sleep but they are doing good! Also if you could please say a little prayer that the divorce with Kevin is done soon. It's really coming down to the house and stuff so I need every little bit of Help that I can get. I don't wanna lose the house because I love it here and because it is home, I wouldn't be able to afford to move somewhere else which would be devastating. I love you and I hope you're dancing up there and having a great time doing puzzles and hanging out with friends and playing with our dogs. Love and miss you so much. 💕🐾

“ Hi Mutti - I just wanted to say I love you and I know tomorrow you would have been having a great feast with us. I would love you to meet Stormie (Monkey) and just wanted you to know that she shares a birthday with you! I didn't know her real one when she came here but I chose your birthday as I know you would love her so much! I miss you each and every day and hope you are having a blast up there. Sending you a photo of your birthday twin .. I also want to share with you that you are going to be a great grandma (Oma) in April as Hunter and Abby are expecting their 1st baby. I can't wait to be an Oma myself! Love you mom, so very much!

“ To my Mutti ~ I miss you each and every day and talk to you often.. I feel your presence in a lot of ways. Thank you for still watching over us 🙏 I am hoping you are loving on both Bella and Brooklyn since they joined you. I miss them so much also 💔💔 I know you know I am on my own now but I am ok and the kids are always here for me. I wish you were also. I would love you to meet Stormie... she saved me when B and B passed. She is small but with a mighty bright light and I know you would love her. If you could please do me just one favor... Somehow reach down to let K and P both know I love and miss them so much. I just need them to know. I love you mom...love Cindy 💕💕

“ Ich hoffe es geht dir gut wo du jetzt bist Renate. Die meisten Erinnerungen habe ich durch Bilder die deine Schwester in Alben aufbewahrt. Ich erinnere mich gerne an die Momente wo wir persönlich miteinander gesprochen haben wenn wir dir zum Geburtstag gratulieren konnten zum Beispiel. Vlt sehe wir uns eines Tages wieder Renate. Ich hoffe es. Du wirst niemals vergessen werden in Deutschland.

“ Since I met you in 2003 for Kendra's first birthday, I have treasured you as a great friend. I will miss the good times we have had all these years and going to Kevin and Cindy's won't be the same. You were supposed to help me with my garden this year so I know I will feel your presence. When you meet up with Lucy can you introduce her to Jax? Love you my friend!
