“ Kuya Rene is such a loving person. He is so kind & caring. I went to several camping trips with him & his family, and witness how important his family & extended family to him. He has a special way of making you feel that you belong to his family clan although you are not blood relative. He & late ate Gie, are such wonderful people since I met them more than 20 yrs ago. Kuya, may you rest in peace in the kingdom of our Lord. You will be greatly missed.
