“ Brooke and Family. Rene was such a great person to have in my life. I will never forget our long talks and opening the door for her only to trip her as she walked past. We would laugh for days over that. She always accepted me for who I am and absolutely adored Stewart just for making me so happy. She will be missed, but know that she will always be in my heart. Every time I open the door for someone I will do it in her memory. (Without the tripping afterwards of course) All my love and deepest sympathy for your loss. Rick

“ To the family of Rene: May your lives be filled with the memories that Rene has brought to you and everyone she touched. May God bless you with strength and faith to go through this time and many to come with only love and happiness for her departure from our earth to her place in the heavens. Remember you will see her again, and that she will always watch over you and all of us as an angel like she has been since the first time each of us met her. I will hopefully be with you on this day, in person, to celebrate Rene and her life and love for all of us! Michaele

“ Recently had a conversation with Rene shortly before she left what ended up being for good from the Call Center. We were once again comparing our family. Her girls were Rene's pride and joy just as my girls are mine. Rene, you will be missed but will be remembered always thru our family and friends. We will meet again.

“ Words can't even describe the impact she had on so many lives. An amazing woman who carried her self with great poise.
