“ *Richard. The most honest, tell you like it is guy with no time for bull. He'd be the first to tell you the same. Family was always first and foremost and always smiled proudly when asked about them. Our bond was work related but talk about our passion for Harleys and you saw him light up. Miss you buddy, rest in paradise.*

“ I had the honor of working with Richard for years at a Toyota. Our conversations were mostly by phone or emails. He was a great friend, coworker, and I appreciated his work ethic. I know when he left Toyota he told me he wanted to spend time with his family. I certainly hope he got his wish. Rest In Peace my friend, until we meet again. Natanya Sutherland

“ Richard was a proud veteran of the United States. He was honest and always treated everyone with respect. Whether you were a Toyota employee or a supplier, he was respectful and tried to get everyone to work as a team together. He is one of my favorites in my career and will be dearly missed. Godspeed Richard and thank you for your service sir.
