“ *Rich was so "background" essential, we didn't even have to ask, he just did it. Our hearts are breaking. What a nice family. Not surprising knowing Rich. We take consolence in knowing he did what he felt was the right thing to do. What a guy.*

“ *I never met Rich face to face and yet we had a very deep and meaningful relationship. It went beyond business as we kept in touch even when there was no business relationship. He was a true friend, an advisor, a comforter and a confidant. He had an infinite capacity for friendship. I can only try to repay his kindness by being kind to others in the same way and remembering him each time I do.*

“ *Irvine Family, Sad we have this tragic event take Rich from you. He will be remembered by most as "a friend" in our community. Rich was always smiling whenever I saw or talked to him. While it is hard to believe he is gone, hold close all the fond memories he made. Please, please let us know if there is ANYTHING you need. My wife and me extend a giant hug to your family during this time of loss.*

“ I cannot begin to put words to how sorry I am for Rich's family. I have been able to get to know Rich through Rotary and he often spoke of how proud he was of his family and I know you were the most important people in the world to him. To lose him in such a tragic way seems unfair. I hope you know he will be remembered by all of his Rotary family as a man of integrity and good will and he will be missed greatly.

“ Tough, tough day all around. I only had Rich in my life for 4 years, but in that 4 years, I came to know and appreciate a truly nice man. Here's to absent friends.

“ Vancouver has lost a truly wonderful man. My family and I were blessed 6 years ago when Richard and Deb took up residence across the street. Rich was the best neighbor, friend, and confidant that anyone could ask for. I will miss his quick smile, helping one another with yard work, sharing a cold beer after a long day, I will miss him, and our community will miss his tireless charitable work. Anyone wishing to know more about Vancouvers Good Samaritan should google "go fund me Richard Irvine". A willingness to risk ones own life to help a stranger is a rare and priceless commodity... Richard personified this quality and ultimately gave his life helping his community. He is our friend, he is our hero, he is cherished, and he will be missed, always.
