“ My thoughts and prayers go out to the family. Dick was great friend and I worked with him at Bearings Inc, Applied and most recently as a Baldor Sales Rep and he was always a very kind and willing to do what you asked of him. We had great visits and most recently he shared his thoughts on his illness and I will always remember that time he spent with me.

“ My prayers and thoughts go out to Dick's family. I had worked with Dick through the years at AIT and saw him often when he came in as our sales rep with Baldor. He was a wonderful individual and will be sadly missed.

“ I am very sorry to hear that Dick has passed away. I had the great privilege to work with Dick for the past few years while he was a salesman for our Portland office. He was a great guy and was fun to be around. Your family will be in my prayers as you go through this very difficult time. Randy Colip Baldor Electric
