“ Atlas says his favorite memory is every day he gave you a hug and when we went to the beach, Iris says her favorite memory is when you went down the water slide and splashed everyone! Apollo misses you a lot. He sits in your chair and talks about "chichard" I miss you so much! My favorite memory? I have so many. Probably DING! 🛎 And singing in the car. Your smile when you'd see me ❤️ You in your sunglasses coming home to me looking so handsome under the sunset. Fried potatoes and when we painted the house. The whole summer we spent outside playing with the kids. I miss your smile. The world just isn't quite the same. I miss you forever. I love you forever.

“ *Sharing a memory is very difficult, there were so many.... A few that make me smile every time is when Richard said " a 5 \$ bill was worth more than a 1 \$ bill so it must be heavier...."we laughed so hard my stomach and cheeks hurt so bad... Or when in doubt Ricky would say "Just Ship it. " A true friend!!! Im glad he was in my life for the last 20 years, but forever in my heart!!*
