“ I worked with Rick for many years and we traveled all across the US spending countless hours working together. Rick was not one to mix words, extremely intelligent and straight to the point, that being said he knew how to cut loose too.. My thoughts and prayers go out to his entire family. You will be missed..

“ Rick took a chance on me as a 20 year old immature kid and hired me into a technical position at Wells Fargo. 15 years later I have been able to carve out a successful career and support my family. I would not be where I am in life if it wasn't for Rick Zimmerman. Rest in peace and I truly regret never being able to properly express my gratitude.

“ Rick was the person on whom I relied for everything related to my PC when we worked in Tempe 15 years ago, he taught me enough for me to be dangerous! I'm so sorry for the family's loss.

“ I will always remember skipping pep rallies in high school to hang out with Rick in the newspaper room. Our prayers are with your family during this time of sorrow.
