“ Dearest Nephew, first time your mom put you in my arms(your dad was in service & she'd come back to Idaho) at Grandma& Grandpa's place I'd came from Seattle to visit.... I took a look at you Robbie, and I saw what a darling adorable baby boy you were! I said, "oh my, he's so cute Donna"! We look forward to seeing you again...in heaven! Praying love, peace & comfort for those left behind. We love you.
