

Robert "Bob" Jay Turbush

April 15, 1928 - November 27, 2023

Musician and retired professional engineer, Bob passed away on November 27, 2023 at the age of 95.

With his wife of 74 years Myrna - they were the life of the party with their matching outfits. Bob with his sense of humor loved the stage and playing the trombone (and an occasional washboard.) He lit up when talking about music. He quit playing music at 90 years young. Both Bob and Myrna continued to enjoy listening to music and the many live performances at their retirement communities.

Bob and Myrna were able to enjoy many years of travel together- via planes, trains, ships and road trips. They enjoyed the beach (Oregon to Hawaii) or the desert life best. A big trip abroad was a special treat visiting France, Germany, Switzerland, Italy and Austria to name a few.

Bob is survived by his wife Myrna, son Steve and daughter Barbara.

His cheerful attitude and bright smile will be missed.

In lieu of flowers, if you wish to donate - Bob would love a donation to keep the music playing for future generations in his name.

“ My condolences to Bob's wife, Myrna, his family, and friends. Losing a loved one is never easy and yet knowing they lived a life they loved, is an inspiration. I did not know Bob and Myrna personally. What I heard about is their love for each other, their family, and their community that was shared by their daughter, Barb.

I will be heading to the DQ and have an ice cream celebrating Bob.

“ I played so many gigs over the years with Bob, and Myrna was always by his side. That included Harbor Patrol Jazz Band and Dixieland Party Band. He was always the consummate professional, playing the right notes and bringing a bag of mutes to get all those various trombone timbres. Never met a nicer guy in music. Rest in piece, Bob.
