“ I would like to thank Ramien Edybapour for representing the entire Operations group at Blue Coat to be at Bob's funeral today. Bob was our Quality and PDM Director. He always told me a good joke in the morning when I passed by the parking lot before getting into the office. We shared many great stories about Vietnam, I enjoyed working with him and will always envision Bob as a great person and highly competent in his field. He will be missed by all of us.

“ I wanted to express to the family our sadness at hearing of Bob's death. Some of my fondest memories are of the times he would come to visit us at the end of October when he and our mother, Lucille, celebrated their birthdays, his on the 26th and hers the 31st. She always appreciated his hugs !! May you rest in peace, Bobby. I can hear you chuckling from here. Love always, your cousin Pat

“ I worked with Bob at Blue Coat, Sunnyvale, CA. I was the Admin for our group. Bob more than once tried to show me how to back up my files & clean up my email. We were from the same generation, so he used to tease me about what I was doing in my 20's in San Francisco. He loved his silver Corvette, his cigars, golf & his children. He was always commenting on something they had done or accomplished. I knew family meant the world to him. He always struck me as having ethical & family values, respect for elders & country. He was amazed how spry his dad was in later years. I respected he had served in Vietnam. He was a good guy. Glad I knew him.
