“ I don't even know how to explain the kind of empty you left behide.its not loud.. its not dramatic.it's quite and it lingers .i go through the motions like im okay-Smile at the right times,Saying I'm fine.But the truth is,I notice your absence everywhere.In how I wake up how I eat how I move through the day.Even the silence when I sleep feels heavier now.You were apart of everything now your in heaven looking down on me
Love you Brother 😞😞
