“ *My wonderful brother I miss you so deeply. My only comfort is knowing you are in heaven walking hand in hand with our beautiful mama on the beach. I will always chuckle: When I think of our 2 day monopoly games, stashing the board under the bed at night. When we had bunk beds and I always kept my arms in, because you would roll over the bar off the top bunk occasionally. The way you protected me and all my friends while we were growing up Singing in your Mercedes with the sun roof open Playing cops and robbers in the barn at uncle Lawrence's and aunt Sharon's Running from Hercamur the turkey when he chased us and yes, you getting tree'd by the cow in the pasture I will treasure every precious memory when we were kids and grown, and miss you every day until I see you again I love you Bubba*
