“ *Dr. Bob Tank was an outstanding person. He had lived in so many locations that he had an ever ready treasure trove of stories to tell... so often rippling with humor, lines from songs, good will for all and insights from his Phi Beta Kappa education and lifetime as a physician.*

He was handsome, fit and endlessly charming.

His devotion to his beloved wife, Jean was the axis of his life, long after she had passed on. He spoke of her with such love.

He will live on in the memories of all who had the good fortune to know him.

Condolences to his family from his friends in Coupeville... Monte and Janet Hull
