

# Robert Burton Tetreault

January 2, 1933 - November 4, 2023

Robert Tetreault passed away on November 4, 2023. He is survived by his wife, Ruby; son, David Tetreault (WA), son, Dale Tetreault (WA) daughter, Arla Witherwax (FL); and many grandchildren and great-grandchildren.

Robert was born on January 2, 1933, in California, and had one sibling, Gene Tetreault (CA). Friends and family always called him "Bob". His family at one time farmed what was previously known as The Cedars Golf Course. He loved to share his memories of visiting the family and the things he did while on the farm.

Bob served in the Korean War, and married Ruby in November 1957. He worked as a "flume" repairman for SDS Logging Company until a work-related accident had him rethinking how he was going to support his family. After attending college in Vancouver, Washington, he worked for Columbia Machine Shop (Vancouver) for 30 years as a machinist.

Bob was preceded in death by his mother, Carma Miller; his brother Gene; and his daughter Edith.

Memorial services for family and friends will be held on Saturday, December 2, at 10:00 a.m. at the Evergreen Memorial Gardens, 1101 NE 112th Avenue, Vancouver, WA.

“ *Bob and I became friends in the last few years after my wife and I moved down the road from his family property in White Salmon, WA. I loved the stories he had to share about his life and times there. My machinery and I will miss him dearly, he had ideas and solutions to most mechanical problems. About a year ago I helped him haul an old Cat D4 from Battle Ground and we had a great trip. He said he might never get around to getting it running, but ye was out there trying last time I saw him sometime in October. I sure will miss hearing his honk as he drove by. My best to Ruby and the rest of the family.*
