“ *Great guy always interested in what & how I made my art work. Had many encounters over the years & talked about woodturning among other things. He would tell me of his family & what he was working on. He would tell me about what he was working on & ask my opinion although he needed no help he was accomplished. He will be missed*

“ Bob was a gentleman, in every sense of the word. I admired him for his honesty and integrity, and for his dedication to his family. He will be deeply missed by so many. I will miss seeing him stop by the shop with his grandson. Rest in peace, Bob.
