“ It's been a year and a half and I still miss you every day. You were a great mom. You taught me how to be a good person and gave me everything I needed to succeed. I remember when you told me that you were the least worried about me because you knew I could take care of myself. That's only because I had a mom who taught me that I could do anything. My goal in life is to be a person that you would be proud to call your daughter. It's to be like you.

“ Words can't explain how grateful we were to be blessed by having you apart of our lives. You weren't just a step mother, mother in law or a grandmother, you were everything. Your strength was beyond imaginable, and our love for you is eternal. We miss you deeply, and may God's everlasting love and care bring you peace. Love, Jason, Reena, Finnley & Cillian
