“ I have just this day learned of Roger's passing and my prayers and thoughts go out to his family and friend. We met in high school while in Up With People. Later in life we reconnected and though it's been awhile since we last saw each other, Roger has always held a special place in my heart. His kindness, his wonderful sense of humor, his generosity and just being the best friend when one needed a friend is the Roger I'm sure all his family and friends have loved him for throughout his life. Rest in peace Roger and we can listen to the White Album together again one day. Leslie Kokich Kone February 28, 2015
