“ To me Mr.Saylors was like a father to me. He was such a kind man, such a kindred spirit, when I was younger I never even had a father , didn't even know what it felt like to have a real father, but Mr.Saylors was always there, he was like a cool friend but even better. He was one of the best people I've ever known, always smiling and laughing no matter what life hit him with. He will always be in my happiest memories, never will I forget him. And as for his family and friends you are all in my prayers. Thank you for allowing me to be a part of your life Mr. Saylors With much respect and love, Aaron E. Enriques

“ My father was one of the strongest men I've ever known, having fought heart disease for 20 years and cancer for 5. He fought against all odds and chose to keep living saying that God didn't think it was his time yet. I loved and respected him, and I miss him everyday.
