“ Jay, my South Dakota friend - it is with sadness that I say goodbye from this earthly world. We grew up together in Wessington Springs and I shall never forget all the wonderful memories of times out at the farm. We shared lots throughout high school and I shall never forget you being so kind to me and all the great things we experienced then. Rest in peace and I will see you someday in Heaven. I'm so glad your suffering is over but you were too young to have to go through it. Missed you at reunion in June. Love you man. Weezy

“ I will truly miss all of those opening days of deer season that my son and I had the privilege of sharing with you. What fun and hard work it was. See you soon Jay.

“ Jay, thank you for the memories...especially great conversations of faith that challenged and grew me. Oh how I miss you! Pam, thank you for loving my brother so beautifully "in sickness and in health". Nicoe and Chad, you two were amazing in the way you supported your Dad these past few weeks. Praying for God's comfort to be your strength as you grieve this huge loss. I love you all

“ I am so sorry for your loss. Your dad was always so kind and taught me an awesome potato soup recipe when Chad was going through his back surgery. My prayers to you and your family during this time. Love you guys! Melissa and family.

“ Nothing but really great memories of you, Jay. You were a man to be respected and loved by all who knew you. My dad, Robert (Bob) Hayes always spoke kindly of you, and respected you too. Rest Peacefully, and say hi to my dad. I know there is a special celebration going on in heaven for you.
