“ Dear Kathy, your parents were some of the most special people i have ever known. Your mom was elegant, fun, and such a warm hearted person. Our family is so sorry for your loss. The memories I have of your parents are too numerous to even go into. I cannot even imagine the sense of loss you must be feeling. Oh for some of those days of long ago to come back for just an instant. What a gift our parents were, i often think of the great times our parents had, your dad and mom were just great. I am so happy that your parents were in Arizona around the time i met and married my husband Roy. they just kind of treated him like he could have been their long lost friend. we all treasure those time. Take care Kathy, With deep and sincere sympathy. Barbara Hooper Mary Ann Haflich Mike Ludwig Jane Gay
