“ Life goes by like the blink of an eye. And, just a blink ago, we were enjoying life together as teenagers at good ol' Washougal High School. Ron, your life was way too short. May you rest in peace.

“ Just wanted to share my grief with Ron's sudden passing. I want to express my sincere condolences to his family. It's seems like only yesterday that we walked the halls of Washougal High School and enjoyed talking about cars and fishing. I'm sorry that I didn't see Ron at our 40th class reunion two years ago. That was the first one he went to since we graduated in 1968. I hope Ron has found peace.
