“ I am glad I got to know my grandpa before he left. He was my last grandfather and the only one I got to say goodbye to. Grandpa I love you so much. I know your in a better place. Watch over me if you could. Me and daddy love you so much. And you will be missed.

“ On behalf on the Lyle Paulson family, I express our deepest sympathy. My father and Uncle Ron were very close. This was evident by the support Ron showed when he learned of my father's diagnosis, only to be diagnosed with a grave illness himself shortly thereafter. Despite this, he continued to call with concern for my father. I am glad I got to know Uncle Ron more through our phone calls. Though I have positive memories of Uncle Ron from childhood, through our conversations, I learned how very much he valued family. As our families shared the grief of a fathers terminal illness, I was happy to know that Uncle Ron was cared for by such a loving family and wide circle of friends. I was impressed by his positive spirit and sincere appreciation for all the love that surrounded him. Ron and Lyle are together again. They are great men who will be profoundly missed. The world has lost two really good and honorable men. We, most truly, share your sadness. -- Lynda
