

Rosalyn Fling

October 4, 1941 - May 22, 2022

Rosalyn Marie Waldon was born October 4 1941 in Sioux City Iowa, the 2nd of 5 children. As a young teenager (15 years old) she was kissed by Elvis. In telling the story she said that it caused such a fuss at school the principal made her wash her face in front of everyone. Her love for Elvis lasted the rest of her life. The family moved to Portland Oregon in the 60s.

She married Delbert Fling February 29th 1964. they had 4 children Craig, Mark, Deanna and Daniel. They divorced in the early 70s. Rosalyn raised her four children as a single mom in the 70s Not an easy task. She did the best she could and sacrificed much for her children. The tradition of family gathering and opening gifts on Christmas Eve came from making happy Christmas memories for her children even though she had to work on Christmas day. She took her children on vacations when she could. A couple big ones for them were Disneyland/ visiting family in California and a road trip to visit relatives in Sioux City making stops along the way to visit family and see landmarks.

In later years she enjoyed going on vacations with Deanna and her children. They had many years of Beach Trips and camping on the Washington coast. Rosalyn loved having family get togethers and making sure everything looked just right. She helped others out when she could, not expecting anything in return.

Life wasn't perfect or easy but there was a lot of Love and Forgiveness. Rosalyn recently mentioned how grateful she was God had restored relationships that meant so much to her. She loved God, all of her family and friends

Great memories to hold close to our hearts We will love you Forever
