In Memory of Rune Jean Hampton

Rune Jean Hampton, lovingly known as "Rune Jean Bean" by her momma, was both born and passed on June 2nd, 2025.

She is absolutely perfect in every sense of the word. She is deeply beloved and dearly missed by her mother, Katelyn Tubbs, and her father, Kade Hampton, along with countless family members and friends.

Although Rune didn't get to experience a life beyond the womb, she has the face of her momma and the hair and feisty personality of her daddy. She was an active baby, always eager to kick her momma's ribs whenever she had the chance. We will forever miss the feeling of her kicks, jabs, and graceful movements whenever her momma or daddy touched Momma's belly to connect with her. Momma spent countless hours singing to her and reading her books-something she still does now, just in a different way.

Our hearts are shattered knowing we won't get to watch Rune grow up, but we are deeply grateful for the moments we shared with our most precious daughter. She is, and always will be, the light of our lives. We hope to make our little bean proud in how we carry on, especially on the days we miss her most.

We are truly thankful for the support we've received from so many family members, friends, and members of our community during this profoundly difficult time. We love you all and feel the love you share-not just for us, but for our sweet Rune.

"Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow...

...

Your skin, oh yeah, your skin and bones
Turn into something beautiful
And you know, you know I love you so
You know I love you so".
