“ Ryan, Where do I begin? I cannot put into words how much I miss you and will continue to miss you, you always seemed to warm my heart with your kind words. I can recall the last time we hung out like it were yesterday how we had so much fun doing the most simple thing. You always had a positive thing to say in any situation I knew that I could always count on you no matter what. You were an amazing father. There isn't a day that goes by that I don't think about you. You will forever be in my heart I was blessed to have you so close to my heart. Can't wait to see again. Love you!

“ Ryan William Veysey, Words simply cannot describe how much you meant to not only me but my entire family. You will always be apart of the Sanders family. I've known you for 14 years. I will cherish all the memories we shared together. You always came over, this was your second house. You knew how to make me feel better whenever I was down. You constantly went out of your way to do things for all of us. I remember the last words we said to each other... You said, "Tiffany!" I said, "Yes, Ryan?" You said, "I f*cking love you and always will!" And I said, "I f*cking love you too, Ryan." :) I miss you so much...

“ You had the most beautiful soul of anyone I have ever known. You would turn anything negative into a positive and was always so capable of handling things with such a calm and gentle head. You were the best father your boys ever could have dreamed of. I will never forget every moment we shared together. Please know how much you are loved and how much you inspired every person in your life everyday. I love you so much Ryan. Rest in Paradise handsome. Xoxo.
